

Call for Applications

The Scientific Council of the Faculty of Pharmacy of the University of Lisbon, under the proposal of the Scientific Committee of the Master Programme in Food Quality and Health, publishes the 2024/2025 Call for Applications:

Master Programme in Food Quality and Health 2024/2025

The Master's in Food Quality and Health has a duration of 2 lective years, organized in 4 semesters and aims to contribute to the acquisition and/or updating of professional and scientific skills in the area, in order to improve Food Quality and Safety in Portugal, in line with the requirements of the European Community, through:

- a) Acquisition of knowledge about the components, with physiological activity, present in foods of animal and plant nature;
- b) Study of the main changes produced in foodstuffs by the manufacturing technology, storage and transport and its implication in the nutritional value and in the consumer's health and the importance of food in promoting/preventing the early development of some chronic non-communicable diseases;
- c) Application of adequate methodologies to the analysis of analytes in foodstuffs, in order to characterize and control the quality of these matrices;
- d) Definition of the main health risks associated with the ingestion of foodstuffs, namely through human exposure to chemical, physical and microbiological agents;
- e) Evaluation of the toxicological effect of additives, residues and contaminants in food, as well as of toxicants of natural origin and selection of analysis methods for their quantification;
- f) Introduction of the principles of application of the HACCP (Hazard Analysis and Critical Control Points) system and the stages of its implementation;

- g) Development of the technical/scientific concepts related to water quality and presentation of strategies to effectively control the quality of water for human consumption, from the catchment to the public supply network
- h) Study of the national and community legislation that regulates the quality of food and drinking water;
- i) Definition of the objectives and importance of sensory evaluation, namely in the selection, training and control of panels of tasters and comparison of results with instrumental measurements;
- j) Integrated study of risk assessment, management and communication along the food chain and the search for biomarkers of exposure, effect and susceptibility for the control and prevention of the risk of exposure to genotoxic and non-genotoxic agents.

The classes are taught in Portuguese.

4. Admission Requirements

The candidates should be:

- a) Holders of an undergraduate degree: BSc degree or legal equivalent in the areas of Pharmacy and Pharmaceutical Sciences;
- b) Holders of a foreign higher education academic degree awarded after accomplishing a 1st cycle of studies, structured according to the principles of the Bologna Process by a State that has adhered to this Process, in the areas of Pharmacy and Pharmaceutical Sciences;
- c) Holders of a foreign higher education degree in the areas of Pharmacy and Pharmaceutical Sciences recognized as complying with the objectives of the Bsc degree by the Scientific Board;
- d) Holders of an academic, scientific or professional curriculum that is recognized by the Scientific Council as attesting the ability to carry out this cycle of studies.

5. Application

5.1 The application is exclusively online submitted through the application platform of the Faculty of Pharmacy, available on www.ff.ulisboa.pt. A careful reading of the **Application Handbook** is advised.

5.2 Applications are only considered when supported by the following documents:

- a) Document proving possession of a bachelor's or master's degree, indicating the final grade³;
- b) Curriculum vitae duly updated, including documents proving the publications/activities mentioned in the CV.
- c) Motivation letter setting out the reasons for choosing the course;
- d) Copy of the identification Card, Citizen Card, or Passport, for personal data validation, and one passport photo in colors.
- e) [International Student Declaration](#), in case of international students.
- f) Other elements considered relevant by the candidate for the purposes of assessing the application.

5.3 Documents proving applicants qualifications must be issued by the competent authority in the country where the qualifications were obtained and, when issued by institutions in non-EU countries, they must be legalized by a Portuguese consular agent or by the [Hague Apostille](#), these legalizations being carried out in the country of origin of the documents. Whenever they are not issued in Portuguese, English or Spanish, they must be translated into one of these languages.

5.4 All documents must be attached, in *PDF* format, on the application platform. If any of the mandatory documents are divided into several files, they must be compiled into a single ZIP file.

6. Selection and Ranking Criteria

6.1 Applicants will be selected by the Selection Board of the Study Cycle, taking into account the following parameters:

- a) Academic degree classification and adequacy to the programme;
- b) Curricular evaluation;
- c) Motivation Letter and, if necessary, an interview with the applicants may be carried out by the Scientific Committee of the course.

6.2 If the number of applicants is lower than the vacancies, all applicants who gather the access conditions defined in the no. 4 will be placed in alphabetical order.

7. Deadlines

³ If, when applying, the applicant does not hold the diploma degree, he/she should upload a Transcript of Records or an Achievement Certificate and in the Motivation Letter this situation should be mentioned. The conclusion of the degree, as well as the respective classification, are factors taken into account in the Applicants' evaluation, and the absence of these elements may be an exclusion criterion. The Selection Board of the Study Cycle could be able to rank and select applicants without the degree together with those of the 2nd call. In these cases, admission is conditioned until the delivery of the diploma.
