20 Jan 2025

Job Information

Organisation/Company	Faculty of Pharmacy of the University of Lisbon
Research Field	Pharmacological sciences » Other Chemistry » Other
Researcher Profile	First Stage Researcher (R1)
Positions	Postdoc Positions
Country	Portugal
Application Deadline	3 Feb 2025 - 23:59 (Europe/Lisbon)
Type of Contract	Temporary
Job Status	Full-time
Offer Starting Date	21 Jan 2025
Is the job funded through the EU Research Framework Programme?	Not funded by a EU programme
Reference Number	LCF/TR/CI22/52660003
Is the Job related to staff position within a Research Infrastructure?	No

Offer Description

It is made known that a call for the award of **1 (one) Postdoctoral Research Fellowship** within the scope of the project with reference LCF/TR/CI22/52660003, entitled: *Iron-triggered technologies as a novel targeted therapy for cancer – Ravine*, funded by Fundação La Caixa, open under the following conditions:

Scientific Area: Pharmaceutical and Therapeutic Chemistry

Research Grant Duration: The fellowships will have a duration of **3 months renewable**, with an expected start date in February 2025, on an exclusivity regime in accordance with the Regulation of Research Grants of the University of Lisbon.

Work Plan: Synthesis and characterization of endoperoxide-based conjugates, activated by reaction with ferrous ion, for the release of anticancer drugs.

Workplace and Scientific Guidance: The work will be carried out in the Medicinal Chemistry laboratory (Building F), on the premises of the Faculty of Pharmacy, University of Lisbon, under the supervision of Dr. Rui Ferreira Alves Moreira, Full Professor, FFUL.

Formalization of applications: Applications must be sent in non-editable format (PDF), to the email concursos@ff.ulisboa.pt, containing the identification of the above-mentioned notice. Applications in paper format will not be accepted.

Application deadline: The deadline for applications is from **21st January to 3rd February 2025 (10 working days)**.

Where to apply

Requirements

Research Field Chemistry » Other

Education Level PhD or equivalent

Research Field Pharmacological sciences » Other

Education Level

PhD or equivalent

Skills/Qualifications**Admission Requirements:**

- Hold a PhD degree in Sustainable Chemistry or related areas **1**;
- Have obtained the PhD degree within the three years prior to the start date of the fellowship;
- Have conducted the research work leading to the PhD degree at an institution other than the host institution of the fellowship;
- Not have previously held a Postdoctoral Research Fellowship contract with FFUL.

1 All higher education degrees and diplomas awarded by foreign higher education institutions need to be recognised by a Portuguese Institution in accordance with Decree-Law no. 66/2018, of 16 August. The presentation of the recognition is mandatory for signing the contract. For further information, please visit [Degree and Diploma Recognition | DGES](#).

Specific Requirements**Requirements:**

- Experience in Organic Synthesis and preparation of bioactive molecules;
- Experience in collaborations with the pharmaceutical industry;
- Motivation to work on ambitious and multidisciplinary projects;
- Proactive attitude, inclusive mindset and desire to work outside the comfort zone;
- Proficiency in English (spoken and written).

Additional Information

Benefits

The monthly maintenance allowance (scholarship) corresponds to **1.801,00€** and will be paid by bank transfer. The amounts set out in the Regulation of Research Grants of the University of Lisbon are allocated and altered in accordance with the annual alteration of maintenance grants made by the FCT, I.P.

In addition to the monthly maintenance stipend the grant holder will also be awarded with the value correspondent to the payment of the first step of *Seguro Social Voluntário* (voluntary payment of Social Security), in case he/she chooses to be included in this regime.

Eligibility criteria

Instruction of Application:

1. Application form containing the candidate's identification (*available on the institutional website*);
2. Certificate proving ownership of a PhD degree in Sustainable Chemistry or related areas;
3. *Curriculum Vitae* containing the information necessary for the evaluation of the application;
4. Work plan to be developed;
5. Declaration of honour stating that there is no professional activity that violates the exclusivity regime (*available on the institutional website*);
6. Motivation Letter;
7. Contact of two references (optional);
8. Other supporting documents considered relevant.

All the documents necessary for the submission of the application are available on the institutional website, through the link: <https://www.ff.ulisboa.pt/faculdade/recursos-humanos/bolsa-de-investigacao-pos-doutoramento-projeto-ravine>.

The documents that instruct the application must be submitted in Portuguese or English language.

No document that should have been submitted in the application phase can be submitted after the deadline set in the opening notice. Failure to comply with the deadline set for the submission of the application, as well as the lack or late submission of documents referred to in this point will determine the exclusion from the competition.

Selection process

Evaluation and rating criteria:

Candidate's Merit: Aims to assess compliance with the formal requirements requested in the opening notice, but also to consider the suitability of the scientific area of training and/or specialization, education and professional experience.

Adequacy of the Scientific Training Area (AACF): Candidates will be ranked based on their alignment with the area described in the admission requirements, with a maximum weighting of 30%

- PhD in Sustainable Chemistry or related areas (**PhD**) – 0 to 20 values

Education and Experience (FE): Candidates will be ranked on laboratory experience in Organic Synthesis, with a maximum weighting of 30%.

- Experience in synthetic organic chemistry, purification techniques and structural identification to obtain bioactive molecules (**EXP**) - 0 to 20 values

Specific competencies for the proposed work plan (CEPTP): Candidates will be ranked based on their laboratory experience in Organic Synthesis, with a maximum weighting of 40%.

- Experience in the design of bioactive molecules in academic and industrial settings (**EXPDMBAI**)– 0 to 20 values

Final classification: The score obtained in the final classification results from the sum of the points obtained in the Candidate's Merit, with an individual form filled out for each candidate for this purpose.

The Jury responsible for the selection of the candidates will be constituted by:

- President – Rui Ferreira Alves Moreira, PhD, Full Professor, FFUL;
- 1st Member of the Jury – Francisca da Conceição Lopes, PhD, Associate Professor with Habilitation, FFUL;
- 2nd Member of the Jury – Maria de Jesus de Almeida Rainha Perry da Câmara Saldanha Rocha, PhD, Assistant Professor, FFUL;
- 1st Substitute Member of the Jury – Cecília Maria Pereira Rodrigues, PhD, Full Professor, FFUL.

Additional comments

Form of notification of results: All candidates will be notified of the final results of the evaluation by email and will have 10 working days after the aforementioned notification to make a statement, in accordance with the Code of Administrative Procedure.

After this notification, and in case there are no claims, the results will become final. In case of claims, and after the allegation is analyzed and accepted or rejected, the results will become final after 10 working days.

After the final decision is made, a complaint/appeal can be filed to the Director of the Faculty of Pharmacy of the University of Lisbon, Maria Beatriz da Silva Lima, PhD, Full Professor, within 10 working days from the date of notification.

Applicable legislation and regulations: Regulation of Research Grants of the University of Lisbon, Order no. 6238/2020, published in *Diário da República*, 2nd Series, no. 113, of 12 June, republished by Order no. 8061/2022, published in *Diário da República*, 2nd Series, no. 126, of 1 July, and Research Fellowship Statute (EBI), Decree-Law no. 123/2019, published in *Diário da República*, 1st Series, no. 164, of 28 August.
