Job Information

Organisation/Company	Faculty of Pharmacy of the University of Lisbon
Research Field	Pharmacological sciences » Other
Researcher Profile	First Stage Researcher (R1)

Positions	Master Positions
Country	Portugal
Application Deadline	4 Apr 2025 - 23:59 (Europe/Lisbon)
Type of Contract	Temporary
Job Status	Full-time
Offer Starting Date	24 Mar 2025
Is the job funded through the EU Research Framework Programme?	Not funded by a EU programme
Reference Number	Project No. 14409 (Mediprint - Aviso MPr-2023-7)
Is the Job related to staff position within a Research Infrastructure?	No

Offer Description

It is made known that a call for the award of **1 (one) Research Grant for PhD students** within the scope of the project no. 14409, titled: Mediprint, funded by PT2030 (Aviso MPr-2023-7 – SIID – I&D Empresarial – Copromoção – Outros Territórios), is open under the following conditions:

Scientific Area: Pharmaceutical Sciences

Research Grant Duration: The research grant will have a duration of **6 months**, with and expected start in April/May 2025, on an exclusivity regime. The grant contract may be renewed for additional periods, as stipulated in paragraph c) of section 4 of article 5 of Regulation of Research Grants of the University of Lisbon, or until the project's end date (whichever occurs first).

Work Plan: The project aims to develop formulations suitable for processing through 3D printing technologies, with the goal of meeting the requirements for therapeutic customization. Characterization studies of the pharmaceutical properties of the developed formulations will be conducted, including dose uniformity and reproducibility in the printing process. The formulations will undergo physicochemical and microbiological stability studies to ensure the quality and stability of the developed formulations.

Workplace and Scientific Guidance: The work will be carried out in the laboratories of building I at the Faculty of Pharmacy, University of Lisbon, under the supervision of Dr. Joana Marques Marto, Assistant Professor from the Faculty of Pharmacy of the University of Lisbon.

Formalization of applications: Applications must be sent in non-editable format (PDF), to the email concursos@ff.ulisboa.pt, containing the identification of the above-mentioned notice. Applications in paper format will not be accepted.

Application deadline: The deadline for applications is from **March 24th to April 04th 2025 (10 working days)**.

Requirements

Research Field Pharmacological sciences » Other

Education Level Master Degree or equivalent

Research Field Engineering » Biomaterial engineering

Education Level Master Degree or equivalent

Research Field Engineering » Biomedical engineering

Education Level Master Degree or equivalent

Skills/Qualifications

Admission Requirements:

- Master's degree in Pharmaceutical Engineering or related areas¹;
- Be enrolled in a study cycle leading to the attainment of an academic degree (PhD) in Pharmacy or related areas.

¹ All higher education degrees and diplomas awarded by foreign higher education institutions need to be recognised by a Portuguese Institution in accordance with Decree-Law no. 66/2018, of 16 August. The presentation of the recognition is mandatory for signing the contact. For further information, please visit [Degree and Diploma Recognition | DGES](#).

Specific Requirements

Preferred factors (experience and specific skills in):

- Development and production of personalised medicines and healthcare products;
- Research in advanced techniques for the production and characterisation of medicines, specifically 3D printing;
- Full proficiency in the English language and motivation for interdisciplinary scientific research.

Additional Information

Benefits

The monthly maintenance allowance (research grant) corresponds to **1.309,64€** and will be paid by bank transfer. The amounts set out in the Regulation of Research Grants of the University of Lisbon are allocated and altered in accordance with the annual alteration of maintenance grants made by the FCT, I.P.

In addition to the monthly maintenance stipend the grant holder will also be awarded with the value correspondent to the payment of the first step of *Seguro Social Voluntário* (voluntary payment of Social Security), in case he/she chooses to be included in this regime.

Eligibility criteria

Instruction of Application:

1. Application form containing the candidate's identification (*available on the institutional website*);
2. *Curriculum Vitae* containing the information necessary for the evaluation of the application;
3. Certificate proving the possession of a Master's degree in Pharmaceutical Engineering or related areas;
4. Document proving enrolment in a study programme leading to the attainment of an academic degree (PhD) in Pharmacy or related areas;
5. Declaration of honour stating that there is no professional activity that violates the exclusivity regime (*available on the institutional website*);
6. Motivation Letter;
7. Other supporting documents considered relevant.

All the documents necessary for the submission of the application are available on the institutional website, through the *link*: <https://www.ff.ulisboa.pt/faculdade/recursos-humanos/recrutamento/bolsa-de-investigacao-estudantes-doutoramento-projeto-mediprint>.

The documents that instruct the application must be submitted in Portuguese or English language.

No document that should have been submitted in the application phase can be submitted after the deadline set in the opening notice. Failure to comply with the deadline set for the submission of the application, as well as the lack or late submission of documents referred to in this point will determine the exclusion from the competition.

Selection process

Evaluation and rating criteria:

Candidate's Merit: Aims to assess compliance with the formal requirements requested in the opening notice, but also to consider the suitability of the scientific area of training and/or specialization, education and professional experience, with a maximum weighting of 100%.

Adequacy of the Scientific Training Area (AACF): With a maximum weighting of 50%.

- Master's degree in Pharmaceutical Engineering or related areas (**MsC**) – 0 to 20 values.

Training and Experience (FE): With a maximum weighting of 25%.

- Training for the development, production, and characterization of personalized medicines and health products (**FOR**) – 0 to 20 values.

Specific competencies for the proposed work plan (CEPTP): With a maximum weighting of 25%.

- Research in advanced techniques for the production and characterization of medicines and health products, specifically 3D printing (**INV**) – 0 to 20 values.

Final classification: The score obtained in the final classification results from the sum of the points obtained in the Candidate's Merit, with an individual form filled out for each candidate for this purpose.

The Jury responsible for the selection of the candidates will be constituted by:

- **President** – Joana Marques Marto, PhD, Assistant Professor, FFUL;
- **1st Member of the Jury** – António José Leitão de Almeida, PhD, Full Professor, FFUL;
- **2nd Member of the Jury** – Helena Margarida Marques Ribeiro, PhD, Full Professor, FFUL;
- **1st Substitute Member of the Jury** – Luís Filipe Baptista Pleno de Gouveia, PhD, Associate Professor, FFUL.

Additional comments

Form of notification of results: All candidates will be notified of the final results of the evaluation by email and will have 10 working days after the aforementioned notification to make a statement, in accordance with the Code of Administrative Procedure.

After this notification, and in case there are no claims, the results will become final. In case of claims, and after the allegation is analyzed and accepted or rejected, the results will become final after 10 working days.

After the final decision is made, a complaint/appeal can be filed to the Director of the Faculty of Pharmacy of the University of Lisbon, Maria Beatriz da Silva Lima, PhD, Full Professor, within 10 working days from the date of notification.

Applicable legislation and regulations: Regulation of Research Grants of the University of Lisbon, Order no. 6238/2020, published in *Diário da República*, 2nd Series, no. 113, of 12 June, republished by Order no. 8061/2022, published in *Diário da República*, 2nd Series, no. 126, of 1 July, and Research Fellowship Statute (EBI), Decree-Law no. 123/2019, published in *Diário da República*, 1st Series, no. 164, of 28 August.

Faculty of Pharmacy of the University of Lisbon, March 21st 2025.
