Offer Description

It is hereby announced that a call is open for the award of **1 (one) Research Fellowship for Master's degree holders enrolled in a Postgraduate Course**, within the scope of the project reference HORIZON-INFRA-2023-DEV-01, entitled "IMProving User experience, Long-term sustainability and Services of EU-OPENSCREEN (IMPULSE)", funded by the European Union through the Horizon Europe Programme, under Grant Agreement No. 101132028, under the following conditions:

Scientific Area: Chemistry, or related areas.

Research Grant Duration: The fellowships will have a duration of **6 months**, on an exclusive basis. The fellowship contract may be renewed for additional periods, under the terms set out in point (a) of paragraph 4 of Article 5 of the University of Lisbon Research Fellowship Regulations

(Order No. 6238/2020, republished by Order No. 8061/2022), or until the project's end date (whichever occurs first).

Work Plan: The work is carried out within the context of a European project (IMPULSE) aimed at building scientific capacity within the European Infrastructure EU-OPENSCREEN. A web server will be developed for predicting modes of action of small molecules based on a multimodal deep learning model.

Workplace and Scientific Guidance: The work will be carried out in the research laboratories at the facilities of the Faculty of Pharmacy, University of Lisbon, under the supervision of Dr Tiago Correia de Oliveira Rodrigues, Associate Professor at the Faculty of Pharmacy, of the ULisboa.

Formalization of applications: Applications must be sent in non-editable format (PDF), to the email concursos@ff.ulisboa.pt, containing the identification of the above-mentioned notice. Applications in paper format will not be accepted.

Application deadline: The deadline for applications is from **24 February to 9 March 2026 (10 working days).**

Where to apply

Website	https://www.ff.ulisboa.pt/categoria/faculdade/recursos-humanos/recrutamento/#fu…

Requirements

Research Field	Engineering » Chemical engineering
Education Level	Master Degree or equivalent
Research Field	Chemistry » Other
Education Level	Master Degree or equivalent
Research Field	Computer science » Other
Education Level	Master Degree or equivalent

Skills/Qualifications

Admission Requirements:

- Master's degree in Chemical Engineering, Chemistry, Data Science, or related areas**1**;
- Be enrolled in a Postgraduate Course**2**.

1 All higher education degrees and diplomas awarded by foreign higher education institutions need to be recognised by a Portuguese Institution in accordance with Decree-Law no. 66/2018, of 16 August. The presentation of the recognition is mandatory for signing the contact. For further information, please visit Degree and Diploma Recognition | DGES .

2 Candidates who do not submit, at the time of application, the document proving enrolment in a Postgraduate Course may, alternatively, provide a declaration under honour commitment. Proof of enrolment must be presented by the contractualisation stage, failing which the candidate's assessment will be annulled due to an error regarding the factual assumptions, resulting in exclusion from this call.

Specific Requirements

Preferential factors:

- Proficiency in programming in the Python language, as well as familiarity with LLMs and VLMs.

Languages	ENGLISH
Level	Excellent
Languages	PORTUGUESE
Level	Good

Additional Information

Benefits

The monthly maintenance allowance (fellowship) is **1.309,64€** (one thousand three hundred and nine euros and sixty-four cents) and will be paid by bank transfer. The amounts set out in the University of Lisbon Research Fellowship Regulations are granted and updated in accordance with the annual adjustment of maintenance allowances established by FCT, I.P.

The fellowship amount also includes *Seguro Social Voluntário* (voluntary payment of Social Security) contributions, corresponding to the first level, should the fellow choose to be covered under this scheme.

Eligibility criteria

Instruction of Application:

1. Application form containing the candidate's identification details *(available on the institutional website)*;
2. *Curriculum Vitae* including the information required for the evaluation of the application;
3. Certificate proving the award of a Master's degree in in Chemical Engineering, Chemistry, Data Science, or related areas (if awarded by a Portuguese Higher Education Institution), or a copy of the Master's recognition certificate (if awarded by a foreign Higher Education Institution);
4. Document proving enrolment in a Postgraduate Course or a declaration under honour;
5. Declaration of honour stating that there is no professional activity or provision of services that violates the duty of exclusive dedication *(available on the institutional website)*;
6. Motivation Letter;
7. Other supporting documents considered relevant.

All the documents necessary for the submission of the application are available on the institutional website, through the *link*: https://www.ff.ulisboa.pt/faculdade/recursos-humanos/bolsa-de-investigacao-para-mestres-projeto-impulse.

The documents that instruct the application must be submitted in Portuguese or English language.

No document that should have been submitted in the application phase can be submitted after the deadline set in the opening notice. Failure to comply with the deadline set for the submission of the application, as well as the lack or late submission of documents referred to in this point will determine the exclusion from the competition.

Selection process

Evaluation and rating criteria:

Candidate's Merit: Aims to assess compliance with the formal requirements requested in the opening notice, but also to consider the suitability of the scientific area of training and/or specialization, education and professional experience.

Adequacy of the Scientific Training Area (AACF): Maximum weighting of 50%

- Mater's degree in Chemical Engineering, Chemistry, Data Science or related areas **(MSc)** – 0 to 20 values

Education and Experience (FE): Maximum weighting of 20%.

- Proficiency in Python programming language (**PRO) - 0 to 20 values**

Specific competencies for the proposed work plan (CEPTP): Maximum weighting of 30%.

- Experience in LLMs and VLMs **(EXP) – 0 to 20 values**

Final classification: The final score results from the sum of the points obtained in the Candidate's Merit. An individual evaluation sheet will be completed for each candidate.

Composition of the Jury: The Jury responsible for the selection of the candidates will be constituted by:

- President – Dr Tiago Correia de Oliveira Rodrigues, PhD, Associate Professor, FFUL;
- 1st Full Member – Dr Rui Ferreira Alves Moreira, PhD, Full Professor, FFUL;
- 2nd Full Member – Dr Francisca da Conceição Lopes, PhD, Associate Professor with Habilitation, FFUL;
- 1st Alternate Member – Dr Carlos Alberto Mateus Afonso, PhD, Full Professor, FFUL.

Additional comments

Form of notification of results: All candidates will be notified of the final results of the evaluation by email and will have 10 working days after the aforementioned notification to make a statement, in accordance with the Code of Administrative Procedure.

After this notification, and in case there are no claims, the results will become final. In case of claims, and after the allegation is analyzed and accepted or rejected, the results will become final after 10 working days.

After the final decision is made, a complaint/appeal can be filed to the Director of the Faculty of Pharmacy of the University of Lisbon, Maria da Graça Tavares Rebelo de Soveral Rodrigues, PhD, Full Professor, within 10 working days from the date of notification.

Applicable legislation and regulations: Regulation of Research Grants of the University of Lisbon, Order no. 6238/2020, published in *Diário da República*, 2nd Series, no. 113, of 12 June, republished by Order no. 8061/2022, published in *Diário da República*, 2nd Series, no. 126, of 1 July, and Research Fellowship Statute (EBI), Decree-Law no. 123/2019, published in *Diário da República*, 1st Series, no. 164, of 28 August.

Faculty of Pharmacy of the University of Lisbon, 23 February 2026.
